An Oriental Apologue.

An initiatal Apolegue

I.

Somewhere in India, upon a time,
(Read it and Inj. bo, yron apoll the verso;
There dwelt two anints whose privilege sublit
It was to it and awtiet the world grow worse,
Their only care (in that delicious clime). At proper intervals to pray and curies;
Practi the disleted each prudent brother
Used To binescif, Dannowhin for the other,

II.

One half the time of each was spent in praying For blessings on his own unworthy head, The other half in fearfully posteraying Where certain follow would so when they were dead This system of exchanges—there is no spine. To what more sold better? I would be not will be a first present the control of the spine of the control of the spine of the spine

At ranov times, teep peace setween times own and a fine of the first two played at word battledere. And kept a curse forever in the air. Flying this way or that from shore to shore; No other shows of this hely usin. Clothele and supported from the lavish after this clothele and supported from the lavish after this clothele and supported from the lavish after this clothele and the clothele with daily care. They took not called the spirit, there was no with the hander to take the chapt piece.

Was tow'rd the harder task of being pious.

IV.

Each from his hat reshed is secret times a day,
Like a great enous of the Church (all ramond
With cartridge theologic, (so to sy)
Touched hinself off, and then, recenting, shanned
His tow'rd down behind him in a way
Hat to live from thal plainty—good from the control of t

One was a dancier.

One was a dancier.

The other was a Hindoo, a gyaniosophist, One lept his what dyeatht and he Rumlans, Langhing to some the ascerdiries and he word his Translavari risk, who, he turn, called Ahmed Wigh and he sinched longer of Hindoo and Hindoo

His eyes from off hes navies mystic axiot.

VI.

Who which and round six thousand times an low
Will go," accommed Almoel, "to the evil place;
May he eat dirt, and may the dog and Ginour
Defile the graves of him and all his mee;
Allah loves faithful souls and gives them power
To spin till they are pupple in the fast.
Some Colla ext you know what, but he hat pure
Some Colla ext you know what, but he hat pure

Paran Farantie and aintry thousand houric. "
VII.

"Upon the silver mountain, South by East,
Site Drahma fed upon the secred bean;
He loves those men whose cails a cestill increa
Whe all their lives keep upf, food and lenn;
"The of his grace that not a brid or beast
Adorned with Galeswille mile was ever seen;
The same and stem are Brahma's thoughts die
Even as these tree! I seen to see are mine."

"Thou seem'st to see, indeed!" roared Ahmed back
"Were I but once across this pleguy stream,

With a stoat sapling in my hand, one whack On those lank ribs would rid thee of that Dream! Thy Braham-Blasphemy is please.
To my sou's stomach; could'st thou grasp the scittme, of the country of the store of the country of the store of the country of the scittme. White by a kind of blessed spontagely.

whitto by a kind of bleased spontaneity.

"And this it is which keeps our earth here going fittin all the start."—"

"O, will e but there's a place. Perpared for such; to think of Brainma throwing Worlds like a juggler's ball up into space! Way, not so much as a muchol tobox thorsip a; e'e willowed lists a since of these through a certain the state of the will be such as the state of the will be such as the state of the will be such as the state of the sta

KATHLEEN,

NATHLEEN.

Oh, Norah! lay your banket down
And rest your weary hand,
And come and hear me sing a Song.
Ot our Old Ireland.

There was a Lord of Galway,
A mighty Lord was he;
And he did wed a second Wife,
A maid of low degree.

A ment in sow degree.

But he was old, and she was rossa,
And soe rajevil spite.

She baked the black Bread for his kin,
And fed her own with white.

She baked the Sheek Biread for ins kin, And fed her own with white. She winsped ine Mands, and savered the ke with the savered of the savered

He smoothed and smoothed her Hair aways. He kissed her Forehead fair'; t is my darling Mary's brow, It is my darling's hair !"

It is noy defined a hair ?

Oh, the on pile on the sary Dame, "Get any ed nige" quant hair ."

"Get any ed nige" quant hair ."

"I'll nige over "I related,
I'll nige of the related in the rel

For ten good pounds in gold.
The Lord he amote upon his breass,
And fore his beard so grey;
Bai he was old, and she was young,
And so she had her way.

And so she had not way.

Sare that same night the Bansbee howled,
To fright the evil Dame,
And fairy folks who loved Kuhleen,
With funeral torches came.

She watched them dancing through the And glimmering down the Hill; They crept before the dead-vault Door, And there they all stood still!

They except before the deadwould Door, And here they all stood will?

"Ge us pold Mun! the wake legits share?"

"So I'm it do you've tongue! I talk ease:
If they share for you or me."

"On whose beings my daughter back,
My gold and hand shall have?"

"No gold one hand shall have?"

"No gold or hand i enswe!

"No gold or hand i enswe!

"My Doughter as hady been.
And you of low derive;

"My Doughter as hady been.
And you of low derive;

But also shall be your brush and you.

"And you hand it was the shall have the control of th

Oh have you seen the young Kathleen The flower of Ireland? Ye'll know her by her eyes so blue, And by her snow-white hand?

And by her show-white hand !"

Up spake an ancient man, "I know

The Maiden whom you mean;

I bought her of a Limerick man,

Aok she is called Kathleen."

Aok she is caused names.

'No skill hath she in household work,
Her hands are soft and white,
Yet well by loving looks and ways,
She doth her cost requite."

So up they walked through Boston town, And met a maiden fair, A little basket on her arm, So snowy white and bare.

A little banket on her arm, So noonly white and bare. So noonly white and bare. 'Come lither, Child, and say hast thou This young man ever seen It'. They were yet within each shirtly same, They were within each shirtly same, and they were the shift of the seen of the shift of the seen of the shift of the seen of the shift of the

A SONG FOR MARCH.

Barly March rushe is with a boilectors wring Give him welcome though bowler he be-the is here to amonouse that the beautiful Spring Resigners on the forest and less instead one. Resigners on the forest and less instead one. As he fisters he herez-borkes chouletts among,— Comesh down like melodious rain; The thrash startes echo with prival voice; As and the control of the control of the control of the Will not introble with mines gain.

Already the pastates are greening anew, Waking life is sail; in the woods, The speedwell recipent is aware eyes of blue, And the hawittom is specified with bads: The daisy, so English: so homely, yet fair. Looketh up with frank face to the sky; is warm woodland hollows the violeta midd. And their sail-towing after with chainer of gold, Hole kinges up will come by-and-by.

Hebb sing-cup will come by-shireby. There's a lidi in the winds, let so on white we may, To partike the first gifts of the prints: How the lowlest ting that we pass by the way Seems to leel the fresh tooch of the time! What a genial both if wint a superbettaining smell was a case in four the sword as we go! What a seem if from the sword as we go! What a sleen is from the sword as we go! What a sleen for thought in this attouch sheep, Searcely broken by hist-outes that drop from the steep or the song of the brooklet bloth?

There is he shift for the aims who days to be gled Mid die broad fields of auture awhite; There is hope for the doubtfules bould hat is sad, for the bearwards who was a clowas. The the bearwards who was a clowas, There is solose for worker, that weary in towns, Let them soatch the rare joys as they on; There are change for the sense, it holiest gaue; There are teachers tha spaint may lieux and grow with the control of the
